VII. RATIONALE

The 2nd General Assembly of the Legislative Council of the CSPC – Supreme Student Council stands as a vital initiative in promoting transparency, accountability, and active student participation within the institution. As the highest student governing body, the CSPC – Supreme Student Council recognizes the importance of maintaining an open and responsive relationship with the student body through structured, inclusive, and informative gatherings.

A key objective of this assembly is to ensure that all students are well-informed about the Council's recent accomplishments and upcoming initiatives. By presenting progress reports, highlighting key achievements, and outlining future plans, the Council aims that all legislative actions are grounded in actual needs and aspirations of the student community.

This General Assembly serves not only as a venue for information dissemination but also as a space for dialogue, where student leaders can engage with their constituents, respond to concerns, and gather feedback that will inform future legislative and organizational efforts. It upholds the Council's commitment to transparency, communication, and student empowerment, strengthening the trust between the student government and the student body.

Furthermore, the assembly underscores the importance of collaboration between councils, the active participation of stakeholders, and the commitment of the Legislative Council to uphold student rights and welfare through effective legislation and oversight. It promotes a culture of openness and encourages every student to take an active role in shaping a more inclusive, dynamic, and responsive student government.

In essence, the conduct of the 2nd General Assembly is not only a continuation of the CSPC – SSC's pursuit of student empowerment, but also a reaffirmation of the Council's dedication to inclusive leadership and meaningful change. It serves as a testament to the collective effort of student leaders working towards a more engaged, informed, and unified CSPC community.

VIII. OBJECTIVES

This event aims to:

1. Ensure that all students are well-informed about the past accomplishments and future activities of the CSPC – Supreme Student Council;

2. Foster a sense of unity among students that can build stronger relationships and collaborate more effectively toward common goals;
3. Recognize the hard work of the organization;
4. Provide students with a platform to express their thoughts, concerns, and ideas regarding school matters; and
5. Offer a space for students to voice their concerns, ask questions, and provide suggestions on improving the school environment.
